

Time's Record

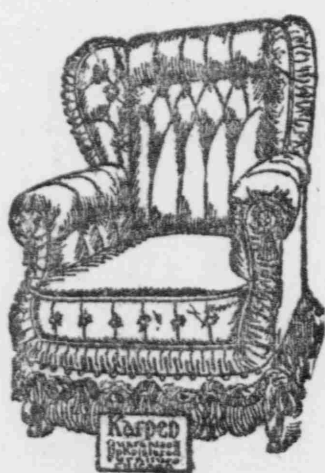

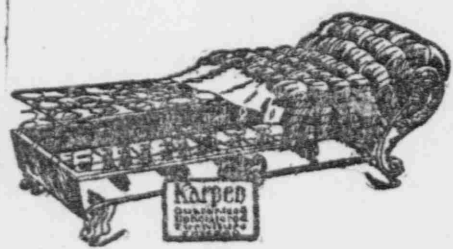

A record breaking year has passed, but the new one will be even more prosperous. We are so confident that it will be that we have prepared for a big increase in business this coming season. Our buyers are now in the eastern markets and in a few weeks we will have on display all the newest and up-to-date designs in furniture. We also take this opportunity of wishing you all

A HAPPY NEW YEAR.

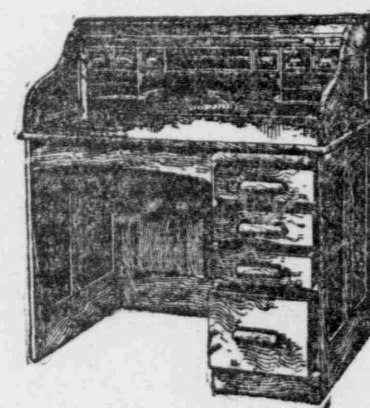

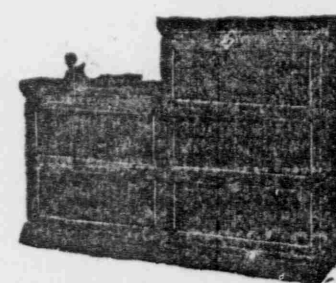

Karpén Furniture

Is the most beautiful in design and the most trustworthy in materials and construction. A Karpén Leather piece is a thing to enjoy for years. The covering is Karpén Sterling Leather. The construction is the very best steel springs making a combination that cannot be beaten. In these goods we also show all the newest designs in Davenports, Parlor Suits, Mission Chairs and Rockers, Couches, Genuine Gold Leaf Parlor Suits, Leather Rockers and the famous Karpén Davenport Sofa Bed. Look for the trade mark which means that every piece is guaranteed.

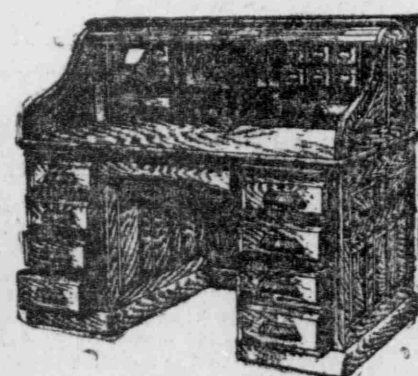

Gunn Desks.

These desks stand for honest material, perfect cabinet work and excellent finish. There are a great many special practical features and we wish to call your attention to the following. The drop front pigeon hole 10 7-8 deep, the roll top is absolutely dust proof and the new automatic lock. In sectional book cases there is nothing better than the Gunn. There are no unsightly iron bands on the sides of these cases. We have these cases finished in imitation or real mahogany and also in golden, weathered or Flemish oak.
